In keeping with our environmental stewardship policies, we're trying to reduce the amounts of paper we use. We invite you to visit our web site at www.seattle.gov/parks. You can find this brochure information online.

Mission Statement

Seattle Parks and Recreation will work with all citizens to be good stewards of our environment, and to provide safe and welcoming opportunities to play, learn, contemplate and build community.

Registration & Payment Information

Registration, for most classes, begins on December 4th unless otherwise indicated. You can register and pay for classes and other activities by mail, in person, online, or by telephone with a credit card.

We accept Visa, Mastercard, and American Express. Please make checks and money orders payable to the CITY OF SEATTLE. Cash will be accepted for exact payment amounts only. PLEASE NOTE: Payment is due when you register. A service fee of \$20 will be charged for NSF checks.

Fees and Charges

Our Advisory Council provides the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees collected by the Advisory Council are used to offset the cost of providing the programs. Program charges include user fees of 3.25% paid to Seattle Parks and Recreation to defray operation costs. Class and program fees include Washington State sales tax where applicable.

Magnolia Advisory Council

You can make a difference! The Advisory Council is a group of citizens dedicated to the enrichment of our community. Its support enables us to offer a variety of programs and services for people of all ages, abilities and backgrounds.

Our Advisory Council is always looking for new members. Meetings are held on the 1st Tuesday of every month, to talk about programs, policies, and financial issues.

Citizen direction and participation are vital to our continued success. Advisory Council members also create scholarship opportunities through grant writing and other fundraising activities. If you'd like to get involved, please contact our staff.

Most classes, workshops, sports, and special events are funded through the Advisory Council rather than through Seattle Parks and Recreation. Revenues generated through program fees offset program cost to make Advisory Council activities self-sustaining. We rely heavily on program participation, donations, and contributions to buy, repair, maintain, and upgrade program equipment and supplies.

CLASS DATES

Most classes begin the week of January 8th, 2007. Please check with center staff regarding class status. Great classes are often cancelled due to low enrollment or late registration, so please register early.

SCHOLARSHIPS

Our Advisory Council wants to ensure that our activities, classes and sports are available to everyone, regardless of their ability to pay. The Council may choose to offer scholarships for qualified applicants. Scholarships are also available through Seattle Parks and Recreation and DSHS. To apply for a scholarship, please talk to a member of our staff.

ANTI-DISCRIMINATION POLICY

As a matter of policy, law and commitment Seattle Parks and Recreation does not discriminate on the basis of race, creed, color, sex, marital status, sexual orientation, political ideology, age, religion, ancestry, national origin, or the presence of any sensory, mental or physical disability.

DISABILITIES

We will make reasonable accommodation, upon request, for persons with disabilities. For sign language interpretation, auxiliary aids or other accommodations, please call 206-615-0140 or TDD 206-684-4950. If possible, please allow 10 working days advance notice for sign language interpretation or auxiliary aids. If a class or activity is scheduled in an area that is not barrier-free for wheelchairs, we will make every effort to help you find a similar program in an accessible location.

ROOM RENTALS

Magnolia Community Center rooms and gym are available to rent for birthday parties, club, or community meetings. Please contact Center staff for dates and room availability. Call 206-386-4235 for more information.

INTERESTED IN TEACHING

We are always looking for top quality instructors to offer unique courses. Anyone with knowledge to share is welcome to propose a class or workshop idea. Selection is based on interest of our participants and space availability. If you are interested in teaching, please talk to a member of our staff.

LOST AND FOUND

Keys, jewelry items, etc. are kept behind the front desk. Items found in the Center will be placed in a bin located near the Art Room. Lost and found items are kept for a minimum of 30 days. Items that remain unclaimed are donated to various charitable organizations.

Refund Policy

It is the policy of the Seattle Parks and Recreation and the Associated Recreation Council that:

Anyone who registers for a class, camp, special event or program that is cancelled for any reason by Parks and Recreation or the Advisory Council will receive a full refund.

Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who requests a refund 14 days or more before its start, may receive a refund minus a service charge of \$5.00 or 10% of the fee, which ever is greater. If a person attends a class or program and request a refund before the second session of the class, a pro-rated class fee plus a service charge of \$5.00 or 10% of the fee, whichever is greater will be retained. If a participant drops a class or program after the second session of series, no refund will be given.

Occasionally, no refund or credit is available for a specific program or service, which may include deposits for registration or rentals. Information on any specific exception is available from recreation staff prior to payment or purchase. Refunds

Pro Parks Levy

The Pro Parks Levy is making a difference in your community. With funding approved for this eight year levy by Seattle voters in 2000, we're building new parks, enhancing maintenance, and expanding programs throughout the city. Our recreation facilities are providing innovative teen programs that enhance self-esteem and build life skills, more environmental education to increase awareness about the wonders that surround us, swimming lessons for all 3rd and 4th graders to make sure every Seattle child knows how to swim, a wider range of activities for seniors, and more.

We're cleaning and removing litter from our facilities and parks more often; expanding park maintenance in the summer months, when use is high; and working hard to maintain our valuable landscapes, trees, and other natural assests. Whether you prefer sports or quiet contemplation, there are more active play areas and passive park lands available for you. New things are happening every day, so keep an eye out for the Pro Parks Levy signs in your neighborhood.
